

How to Renew Your Materials Online

1. On the library website, click on the blue circle marked Catalog.
2. The screen will display the message, "Your internet browser seems to have cookies disabled." Click OK.
3. In the catalog, click on the tab marked My Account near the top of the page.
4. Once that page opens, there will be two options: review my account or renew my materials. Click on renew my materials.
5. If you have not already entered your library card number, do so now in the box marked User ID. Then click list charged items.
 - a. You can find your 14-digit library card number on the back of your card.
6. The items checked out to this card will be listed. Check the box of the items that you want to renew. Once you have checked the boxes, click the button marked renew selected items.
7. A list of the renewed items will show up on the next page.
